What our staff say...

Working here is like being part of a family. Everyone helps each other out. There is a real community feel.

There are lots of opportunities to access training which helps with my professional development. The leadership team are very involved and supportive.

Everyone is so supportive and welcoming. The children are curious and eager to learn. I love all the 'why' questions that they ask!

All the staff are very supportive and friendly. We have an engaging and enriching curriculum to teach.

The OPAL playtimes have been a fantastic addition to our school. We are so lucky with our facilities, particularly our outdoor space. We all work as a great team.

When I joined the school there was a supportive system in place to help me when I was an ECT (Early Career Teacher). I was able to learn a lot from the experienced teachers around me who were always friendly and helpful.
