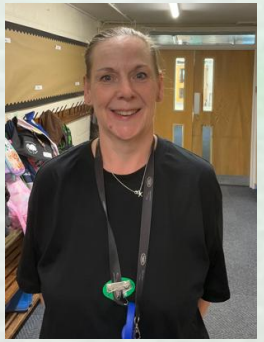
Mrs White - Willow class teacher and phase leader

Mr Bertie - Teaching Assistant

Mrs Maunoury and Mrs Billows - Sycamore class teachers

Miss Jackson - Silver Birch class teacher



Mrs Hoadley - Teaching Assistant

Mrs Elderfield - Teaching Assistant

Our classrooms

A message from us...

As Key Stage 1 Lead, I feel incredibly proud to be part of Wychwood Primary School. I am passionate about creating a positive, inspiring and nurturing learning environment where every child is encouraged to flourish and reach their full potential. I believe Key Stage 1 is a very special stage in a child's learning journey, building upon the strong foundations established in Early Years while introducing new challenges, opportunities and experiences that help children develop a lifelong love of learning.

We provide a warm, supportive and stimulating environment where children are encouraged to be curious, develop independence, embrace new challenges and grow in confidence. Through high-quality teaching, engaging lessons and a carefully balanced curriculum, we ensure children develop the knowledge and skills they need for the future. Alongside this, we recognise the importance of learning through play and exploration. Our children continue to benefit from carefully planned provision, practical activities and opportunities to learn through first-hand experiences, allowing them to revisit, practise and deepen their understanding in meaningful and enjoyable ways.

Above all, we want every child to feel happy, safe, valued and excited to come to school each day. We aim to nurture confident, resilient and enthusiastic learners who are proud of their achievements and ready to embrace every opportunity that comes their way.

We look forward to meeting you!

Mrs White

Our Year in Key Stage One

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
English	Poetry Narrative – a warning tale	Instruction text Recount text	Poetry Narrative – defeating a monster	Poetry Information text – class fact file	Poetry Narrative – finding tale	Narrative – character Invention project
