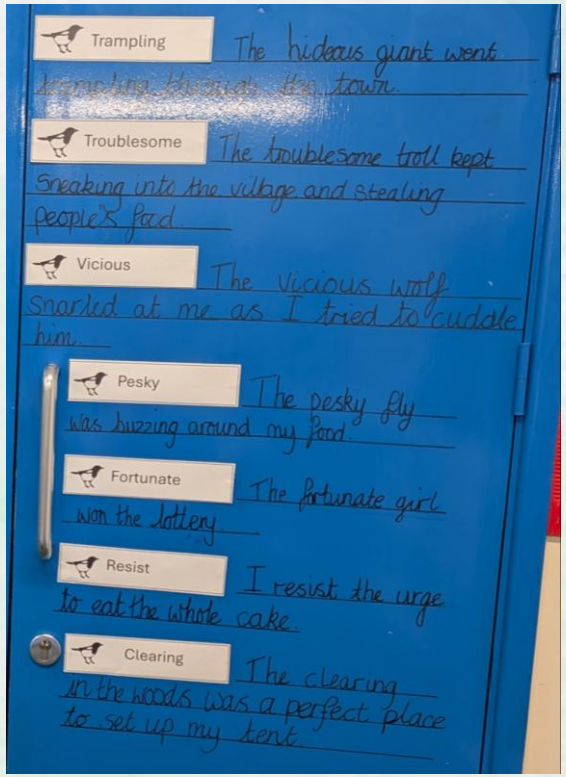
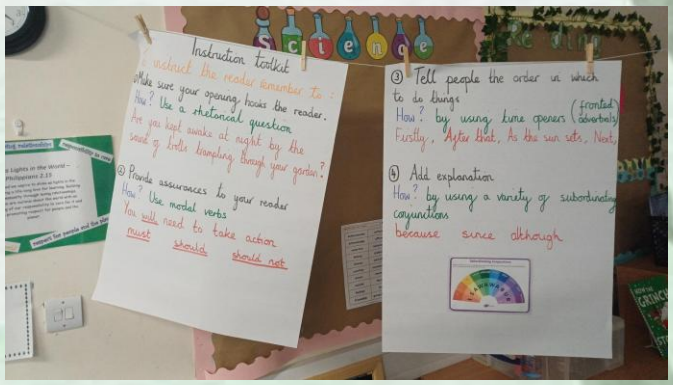
Our classrooms





A message from us...

As the Lower Key Stage 2 team, it is a privilege to be part of such an inclusive and enriching environment where children are at the heart of all we do. At Wychwood Primary School, we work as a community where all members embrace our school values such as promoting respect, teamwork and gratitude.

Within my phase leader role, my passion is to provide children with lifelong learning opportunities within a warm, nurturing and stimulating environment where all are encouraged to be curious, develop independence and grow in confidence. We offer a balanced and varied curriculum with exciting learning opportunities both in and outside of our school, making learning memorable and allowing children to flourish in their own individual way. Our 'Wychwood Way' philosophy incorporates first-quality teaching and learning through an inclusive design which ensures that tasks are stimulating and challenging, teacher modelling is clear, purposeful and supportive and our environments are conducive to learning.

A few recent areas of focus such as providing an inclusive NEST facility with specialist practice for pupils with additional learning needs in addition to our OPAL outdoor play scheme has allowed our school and all learners to grow and develop. We are proud of the school in which we are all part of.

Collectively, our highest priority is for all children to feel happy, safe and excited to come to school each day, knowing that they are valued, supported and encouraged to be the very best they can be.

We look forward to meeting you!
Mr Townsend and our LKS2 Team

Our Year in LKS2

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
