OUR CHRISTIAN ETHOS

Recognising our historic foundation, we will preserve and develop our religious character in accordance with the principles of the Church of England and in partnership with the Churches at parish and diocesan level.

Wychwood CE Primary School strives to be an inclusive community where children grow, learn and achieve together. Within a nurturing, supportive and safe environment, mental health and wellbeing is at the heart of everything we do and recognised as the responsibility of all. Children's natural curiosity is fostered through a creative curriculum that excites, challenges and enables them to be successful learners. Supported by a culture of equality and aspiration we aim to remove disadvantage so that every child can thrive.

We are committed to providing an education of the highest quality within the context of Christian belief and practice. We encourage an understanding of the meaning and significance of faith and promote Christian values through the experience we offer to all our pupils.

OUR CHRISTIAN DISTINCTIVENESS

At Wychwood CE Primary School we provide a happy, nurturing and supportive environment founded on the principles of the Christian faith; helping to develop children's spiritual growth and moral understanding. All members of our school community are valued and respected, so that everyone can have a positive attitude to themselves, others and life.

Our school's Christian character contributes significantly to the academic achievement, personal development and wellbeing of all learners. Although we are a church school, we are inclusive to all members of the community we serve. Our aim is that pupils from all faiths and those without a faith feel safe and happy, secure in the knowledge that their beliefs are respected and valued.

The Christian character is evident in the strong sense of respect existing between staff and pupils, who are proud to be a part of our 'special' school.
